

**FAIRHAVEN BOARD OF HEALTH
SWIMMING POOL APPLICATION**

Fee: \$15.00/\$25.00

Permit No._____

Application is hereby made for a permit to maintain a residential pool according to the minimum standards for swimming pools as set forth in the Rules & Regulations of the Board of Health, Chapter X, adopted October 1, 1979 and as amended from time to time. Minimum setbacks are ten (10) feet from any property lines and twenty (20) feet from any sewage disposal facility. A four (4) foot fence is required for all in-ground pools. A locking gate or other safety mechanism which renders the pool inaccessible to children is required. A sketch showing all structures on the lot and placement of the pool with setbacks is required with this application.
